

29 Bar Cart Ideas That Deserve Three Cheers

A proper home bar setup can elevate your end-of-day happy hour and enhance home decor savvy, even in a small space

A bar cart doesn't have to actually look like a bar cart, as this project by New Age Interiors shows. Photo: Ric Marder Imagery

"This unique bar cart is perfect for my client's large, and may I add, entertaining office," says designer Melissa Fenigstein, designer at [New Age Interiors](#) in Syosset, New York. "He wanted a space that was not only relaxing but lounge-like. This piece is one of his favorites."
